## RESULTS

Queens Cup Horowhenua  
Sat 24 September

Almost perfect conditions all day.  
Five Wellington Assoc. clubs joined by a combined team from Picton and Wairau RC's and the Interprovincial crews made for a day of intense rivalry and great rowing. Around 34 races were completed and on a day of mostly flat water very few crews including the coxed ones managed to steer between the buoys marking the course. I'm not sure if this means the course had a dogleg in it or individuals require GPS Navigation built into their brains. As a result many crews rowed longer races than they needed to. With one point separating the top two clubs the last race of the day –Men's Open 8, became critical. Finally Star won from Wellington with a one point margin

### Athlete Profile

## 2005 World Junior Bronze Medallists

Piston RC members Joseph Sullivan and Daniel Karin combined to beat 28 of the world's best 30 crews in the double sculls event in Germany in August against all odds. This is a story of determination and self belief and the rewards are richly deserved. Both are just 18 years old and have already been rowing for six years, since Form 2 for Joseph and Form 3 for Daniel. Dave Thomson was their coach at Karapiro. All of Picton got behind their quest raising \$14000 to fund their three month training programme at Karapiro. During this period Joseph went to school and Daniel worked in between training times. Training took at least four hours per day including a 20km row in the morning and bungy training in the evening (towing a drogue behind the boat.) Both are aiming for Under 23 selection next year with trials around mid March. We wish them the very best.

## SITUATIONS VACANT

*Trainee umpires, boat drivers and judges* – wanted urgently for regattas.

*Minute Secretary* – Leonie Anderson has accepted the task until December when she moves north. Someone to take over from her and take the minutes of the WRA Board meeting and write them up ready for publication.

*Canteen Manager* – An organiser to gather a group willing to operate a canteen at regattas. The Water Ski Club will be available for all regattas at Korokoro.

*Communications Officer* - Person to take charge of all the WRA communication equipment and have it ready in tip top condition.

*Social Convenor* – Somebody prepared to organise and arrange the after regatta functions in the Water Ski Club.

If you are able to help ease the load on the "few" and assist in one of these very important jobs please contact Colin Shields. Offers from parents would be most welcome.

It assists the association to have an up to date list of club officers. As soon as clubs hold their AGM please forward current lists ASAP.

### **BRAVERY AWARD**

Fili Liuaána WRA Volunteer of the Year 2004/05 season has been honoured for his bravery in coming to the aid of a man who was being attacked by a Black Power gang member in Johnsonville last year. WRA is honoured to have a man of Fili's character among its ranks.

The finalists were chosen from over 250 nominations which had been submitted by team members in recognition and appreciation of their coaches contribution to them and their respective sports
